## **SB 576 - HB 1478**

April 24, 2003

**SUMMARY OF BILL:** Provides for the Department of Safety to waive the required knowledge and skills test and issue a restricted commercial driver license to an applicant, who meets the other federal and state minimum requirements for operation of commercial motor vehicles, for seasonally transporting seed cotton, lent cotton, or cotton seed if authorized by federal law.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Revenues - Not Significant**

Estimate assumes increase in revenues from commercial driver license fees estimated to be not significant as the number of additional restricted commercial driver licenses issued under the provisions of the bill will likely be small.
